## 2010 Annual Report Message

Dear Friends,

Blessings to you as you read this report! Lincoln Lutheran has been blessed with so many wonderful gifts – dedicated team members, a strong Auxiliary, a very committed Board of Directors, supportive member congregations, hundreds of volunteers and thousands of donors. Because we are blessed with so many gifts we are able to continually bless older persons and their families with the ministries of Lincoln Lutheran.

The Board of Directors approved the continuing discussions with the Racine Dominicans to create a "Continuing Living Community" in partnership with the Racine Dominicans on their beautiful campus overlooking Lake Michigan in Caledonia. Plans are being developed for a new campus that preserves the existing Chapel and Bell Tower while building new Apartments for independent seniors, Memory Care, Assisted Living and Skilled Nursing Care, a wellness center and various dining and recreational areas. The Racine Dominicans will be building a new Retreat Center to continue their important ministry on the campus as well. We believe that both organizations will be a blessing to each other, and ultimately to the greater community we serve.

Plans are also under way for improving the quality of care and environment in our Skilled Nursing Communities. Health Dimensions Group, a

nationally recognized leader in Senior Living is assisting us in this effort. We have adopted a Resident Centered Care model created by the Pioneer Network to make our nursing communities more homelike. Work will continue on this throughout 2011. We also entered into partnership with Sodexo, the world's leading provider of food services, to enhance the dining quality at all of our communities and Meal on Wheels and Nutrition sites. Lincoln Lutheran strongly embraces collaborative efforts to improve our quality and service.

Community Services expanded through the addition of a second Adult Day Services site. Chestnut Club in Burlington has received tremendous support from that community. The renovation of Lincoln Villas was completed in 2010. We were all treated to wonderful stories and expressions of thanks for this project from the residents at a Celebration event in November even as a tornado was approaching!

We thank you for your support of Lincoln Lutheran. We thank you for your blessings. May God bless you richly in 2011!

 Chief Executive Officer

## LINCOLN LUTHERAN AUXILIARY REPORT

CELEBRATING 55 YEARS

The Lincoln Lutheran Auxiliary once again has achieved its goals. This year 365 members including 89 lifetime members have worked to enhance the lives of the residents of all facilities.

At our Spring Luncheon in May we invited the Pastors' from our Corporate Churches. A few were able to join us. We thought it would be helpful to show them what the Auxiliary is all about, it was well received.

The Spring Socials brought entertainment and goodies for an afternoon of fellowship. It was enjoyed so much that volunteers have requested going back to the same facilities this coming year.

Fundraisers this year included two book fairs, two Boston Store Community Days coupon sales, Pick 'n' Save We Care Community Program receipts, Culvers, Memberships, candy sales, and the Ice Cream Social. Unfortunately supplemental funds were not available in 2010, we were however able to achieve our wishes. We were able to furnish several gifts that were requested from the Wish Lists provided by the facilities and programs.

The Auxiliary celebrated its' 55th Anniversary this year. In honor of the occasion an invite was extended to all the past Presidents for our Fall Luncheon in September at Resurrection Church. We are pleased that 7 responded and 6 attended. They were Julie Mohrbacher, Bernice Acker-

2010 Auxiliary Board (Left to Right): Nancy Nelson, Joy Webb, Karin Langlois, Laurie Zeh, Muggs Mueller, Sue Cooper, Rosy Fay, and Karen Johnson

man, Sharron Kolstedt, Alice Maresh, Gene Leutner, and Joy Webb. We have been blessed to have had so many who have donated part of their lives to the Auxiliary.

We never have too many members. We are always looking for caring, concerned men and women to join us. Our success is due to the selfless members who give freely of their time & talents, who are dedicated to Lincoln's mission to honor God by serving people.

Nancy Nelson  
Auxiliary President

December 1, 2010 marked the completion of a year-long renovation project as Lincoln Villas South was dedicated. Residents, team members, project leaders, dignitaries, friends and supporters of Lincoln Lutheran gathered in the newly remodeled dining room during the afternoon ceremony. All apartments now have new energy-efficient appliances and windows, new flooring, cabinetry, counters, sinks, faucets and vanities. Bathrooms were widened and walk-in showers were installed in twenty apartments to meet accessibility requirements. All common areas were updated as well as the addition of two new staff offices. The exterior of the building has new maintenance free siding and the grounds were landscaped.

The WHEDA Emerging Business (WEB) Program encourages involvement of small businesses who are at an economic disadvantage. Under the WEB Program, developers of low income housing tax credit developments must use their best efforts to meet the WEB participation goal of 25 percent. During this renovation, Lincoln Lutheran met and exceeded this goal. Our participation achieved was 48 percent. This rate is determined by the ratio of dollar value of the work contracted to emerging businesses to the total value of hard costs associated with the contract.

Lincoln Lutheran credits the project team and staff who have spent an incredible amount of time and effort assisting and supporting the residents during the time of transition.

## Highlights: HUD Apartment Communities

### LINCOLN VILLAS SOUTH

Lincoln Villas South had a year full of changes and now that the renovation is completed, residents were eager to help out in any way they could to lend a hand to their neighbors. These positive changes boosted camaraderie among residents as well as with the staff. Wisconsin Housing and Economic Development Authority (WHEDA) commended our efforts and presented Lincoln Villas with a "Superior" rating this year, a score higher than what we received in 2009.

Chris May, Service Coordinator, arranged Lincoln Villas' participation in the Community Action Food Program, a resource that connects low-income households to a variety of federal programs and other resources to help meet their nutritional needs. Five residents volunteer monthly to assist with delivering food boxes to the 40 residents who are eligible for the program. "It has been such a rewarding experience to see neighbors help each other out" says JoAnn Adame, Director of HUD Apartments.

New members were nominated and elected for Council office. The enthusiastic group brought new ideas that would help to enhance the community. Events that the Council hosted included a bake sale and a Christmas program with dinner and entertainment. The council also coordinated monthly outings such as lunches and shopping excursions. Future programs include a monthly coffee clutch and holiday potlucks.

Throughout the year, it became apparent that some residents were experiencing a decline in their vision. Because of this, Chris May, Service Coordinator arranged transportation for eight residents to attend and benefit from a low vision support group. A wide range of weekly programs suited to likes of those in the community include, exercise and wellness programs, history groups, and group discussions. Residents are happy to be settled in their new remodeled home and look forward to the many happenings in the upcoming year.

### LINCOLN VILLAS NORTH

It was an eventful year for Lincoln Villas North as they welcomed eight new residents and were awarded a "Superior" rating by Wisconsin Housing and Economic Development Authority (WHEDA) for its efforts to bring quality affordable housing to area seniors.

Early in the year, "The Little Shop on 3<sup>rd</sup>" a convenience shop run by the Resident Council opened. As the name states, the shop is on the 3<sup>rd</sup> floor and is an added convenience for residents who may need either non-perishable or perishable grocery items before their next regular shopping trip. The Lincoln Lutheran Auxiliary graciously donated an upright freezer to the shop.

This year marked the start of our window re-

placement project. 52 sets of new energy efficient windows were installed in the common living areas. All apartment windows will be replaced in the upcoming year. Another project we are grateful to be approved for is kitchen renovations. Over the next 5 years, all kitchens in the apartments will be refurbished.

## TRINITY TERRACE

It's been a wonderful year for the residents at Trinity Terrace. For the second year in a row, we are excited to announce that Wisconsin Housing and Economic Development Authority (WHEDA) awarded this community with its highest rating for our management efforts.

Early in the year, the resident council requested that the community room chairs were in need of replacement and the Auxiliary graciously came to their assistance and made this major purchase possible. Thanks to this generosity, social gatherings such as the annual Valentine's Day party, Christmas concert, birthday parties and potlucks are much more popular than in years' past.

Residents and staff alike continue to make the community a warm welcoming home to all. Service Coordinator, Kenny Ogungbe and Manager, Pat Clark arranged a variety of programs throughout the year to benefit the residents. Things such as vision clinics and arthritis pain clinics to hearing and massage therapies promoted residents' health and wellbeing.

Trinity Terrace continued to give back to its community. Residents prepared baked goods for the Park High School soccer team, who then used the contribution to help raise funds for uniforms and equipment. They again hosted their neighborhood National Night Out event in August. A hot dog roast, moon walk, raffles, and a special visit by the local alderman added to the fun for residents, staff and area neighbors.

## LINCOLN MANOR

We are pleased to have been awarded an "Above Average" rating for our management proficiency and array of services by the Wisconsin Housing and Economic Development Authority (WHEDA) this year.

Our focus this year was to integrate programs that would enrich the lives of residents and promote their wellbeing. Programs set up by Service Coordinator, Ursula York included fall prevention education, memory boosting and brain alertness programs, and apartment safety. She also recruited a volunteer who is proficient with computers to provide assistance to residents with setting up email accounts and tips to conducting Internet research.

Lincoln Manor is now listed in HUD's Neighborhood Networks Directory as a computer welcoming center for housing programs. Through this portal, Neighbor Network Centers now have a single point of access to various online tools available for encouraging communication and boosting effectiveness and

efficiency of Neighborhood Networks stakeholders.

In July, twenty-nine eligible residents started receiving goods from the Community Action Food Program. This program also provides nutrition education to eligible persons through state and local agencies.

In addition to enhancing quality programming, the building also received several improvements. The parking lots were resurfaced, three porches were reconstructed, and common area doors and windows were replaced.

## Highlights: Independent and Assisted Living

### THE ATRIUM AND BAY POINTE

The community room at the Atrium continued to be a popular meeting place. The Golden K Kiwanis Club, the Retired and Inactive Nurses Group, a weekly meeting of clergy, and numerous family gatherings have taken place in the Atrium community room.

We had a Spring Symposium and invited those on our waiting list as well as the public to come in for educational "seminars" and tours. Residents enjoyed a Holiday open house with music provided by a brass quartet around the fireplace. We work with the local hospital and/or with the nursing homes in Racine to make transitions as smooth as possible for our residents.

On major Holidays our dining staff puts on impressive banquets. On Mother's Day, Easter, Thanksgiving, and Christmas we served not only our residents, but also many guests who come in to be

with their family member. The café bistro continues to be very popular and residents often treat guests to a meal there.

The team members at the Atrium and Bay Pointe are a dedicated group of people who are a true example of the mission of Lincoln Lutheran, Honoring God by Serving People. We frequently receive compliments regarding the compassion shown for the

### SCHMIDT HOME

Team members at Schmidt Home continued to provide compassionate care to its residents throughout the year.

Earlier in the year, we experienced storms that caused power outages; however, with the generous donation of an emergency generator from the Auxiliary in 2009, residents and staff remained safe until the power was back on. The storms also brought minor flooding and with the help of United Mechanical, Inc the water was quickly removed without causing any damage. During the summer, residents enjoyed gardening and sharing their vegetables with their neighbors who didn't have gardens. Residents welcomed students from Meadowview School throughout the year during holiday gatherings.

Bay Pointe Residents display their crafts

## Highlights: Skilled Nursing and Rehabilitation

### LINCOLN VILLAGE

During the past year, Lincoln Village, which specializes in providing short term rehabilitation, strived to achieve the best quality of life for each resident. On average, those who we cared for returned to their home after 30 days.

We are grateful to the Lincoln Lutheran Auxiliary for their support and generous gift of a mobile assistive listening system for our community. This system enabled hearing impaired residents to actively participate in leisure programs and worship.

Our annual resident and family events included our resident and family picnic in June and our December Christmas open house. This year we held our own "Senior Olympics" to afford all of our residents the opportunity to participate in this fun event.

Our community would not be nearly as lively and robust without our team of dedicated volunteers who graciously gave their time to assist residents with activities such as baking cookies, playing bingo, music programs, special events, and spiritual care. We continued to have volunteers from the Senior Employment Restructuring (SER) program who work with our activity team, and we also welcomed a Human Services intern from Gateway Technical College who gained experience working with our social service team.

### BECKER SHOOP

Team members at Becker Shoop continued to provide kindhearted individual care to residents and their families. Early in the year, a family council was created to enhance communications with family members. As we transition to a person-centered care approach in the next year, these families will also be partners in that process.

Becker Shoop was honored to be awarded a grant from the Lutheran Church of the Redeemer to carry out a meaningful intergenerational program. Together, residents and children who were involved in Lutheran Church of the Redeemer's Summer Neighborhood Camp, designed and painted ceramic tiles that would later be placed in the outdoor courtyard after they had been fired and glazed by local pottery shop.

Becker Shoop was a host site for Disney's "Give a Day, Get a Day" program, where Disney awarded volunteers with a free admission to one of its parks. Through this program, Becker Shoop recruited 31 new volunteers from the community.

Becker Shoop was selected as a job site for Racine County's Workforce Development "E3" (Employ, Enrich, Engage) Program, which prepares youth and young adults to succeed in the workplace through education and meaningful work experience. Five young individuals benefited through this hands-on approach.

Lincoln Village Resident, Dorian Wuerker participates in the "Senior Olympics"

DATE OF HIRE: 5/13/1991

DATE OF DEATH: 4/28/2010

### Expanding Our Definition of “Community”

The Community Services team focused on expanding our definition of “community” to include western Racine County. We crossed that invisible line defined by the interstate and participated in a variety of activities which allowed us to share information about our programs and services. We spent time with caregivers learning about their needs, and about what services they felt were lacking in the area. We also explored existing services, which challenged us to ensure we were not providing just a duplication of what already existed, but a better service to positively impact people’s lives.

Our second adult day services program for seniors opened in September in the heart of Burlington. A long-time goal of Community Services, it was thrilling to finally have our beautifully remodeled center open for business. The community was very welcoming and encouraging of our efforts. Our in-home program, HomeLinc, concurrently increased efforts to heighten awareness of this service – emphasizing our compassionate and well-qualified care-team. What sets HomeLinc apart from similar services are our team, flexibility, and our focus on serving seniors.

2010 was financially challenging for everyone – from businesses to individuals to foundations, although some of the gifting to Community Services declined in 2010, we supported clients and families in finding resources for benefits and in providing some subsidized services. We were sensitive to everyone’s financial situation and continued to keep our corporate value of financial integrity in mind.

## Highlights: Community Services

### HOMELINC

Following the national trend of seniors desiring to remain in their home for as long as possible were several clients who chose 24 hour, seven day a week service from HomeLinc. We were able to provide a continuity of caregivers, typically having 2-3 caregivers matched with the client. This allowed for strong relationships to build as well as a feeling of trust. We take great care in matching our clients and caregivers, and even offered a “Meet & Greet” at the first visit to introduce the caregiver to the client and help both feel comfortable getting to know each other over that first visit. HomeLinc added several team members from towns west of the interstate and was able to meet new client needs.

### SKILL BANK

With the challenging economy in 2010 Skill Bank was busier than ever, surpassing the number of requests in 2009 by nearly 300. We also had more retirees looking to join on as Helpers, and we were particularly pleased by the interest in western Racine County both for services and as Helpers. Skill Bank moved from its loaned office from the United Way of Racine County to the new adult day services center – the Chestnut Club. At the new location, still in the center of Burlington, the Helpers are free to stop in and speak with our Coordinator, and pick up new service requests. Our office in Racine continued to receive many new inquiries, as well as requests for services from

long-time Skill Bank users. The talents and time of our Skill Bank Helpers allowed many seniors to maintain their home when they otherwise could not afford to, thus supporting their independent living environment.

### HARMONY CLUB

We were pleased to partner with Killarney Kourt in Sturtevant to transition our Courtyard Club to this new site in September. After 17 years of meeting at St. Edward’s Parish, they found themselves in need of the space used by the Club. We were grateful for the many years we were able to call St. Edward’s home to our Courtyard Club. During 2010 we were blessed by the continued participation of our volunteers – without them we could not provide this respite care for families that Harmony Club provides. Our volunteers grocery shop, prepare snacks and meals, come up with creative activities, engage our Club guests in conversation, and do all this with care and compassion.

DATE OF HIRE: 5/23/2005

DATE OF DEATH: 8/23/2010

## ADULT DAY SERVICES

Our Racine-based adult day services program served as a model for and a support to the development of the Chestnut Club, Burlington's only senior adult day services program. Through collaboration on everything from policies and procedures to educating staff, both centers worked towards developing a program in Burlington that would meet the needs of those with early to mid-stage dementia, Parkinson's disease, and other frailties associated with aging. Our Racine campus continued to serve on average 28 clients per day, providing a day filled with a variety of activities and the opportunities to visit with friends. Many outside groups

helped enrich our client's day, including the students from Lutheran High and Gifford Schools, Shepherds Home, and the Racine County Youth Volunteer Corps. Volunteers of all ages brought smiles to the faces of our clients, and were a great help at our annual family picnic. The Chestnut Club officially opened its doors in September, and immediately welcomed clients and engaged them in highly individualized activities and personalized care – offering bathing, delicious meals, and activities. We honored our veterans with a moving Veteran's Day event at which we invited the community to join us.

## MEAL ON WHEELS AND SENIOR DINING PROGRAM

Lincoln Lutheran continued its' long relationship with Racine County as the contracted provider of both the home delivered meals program and operation of the senior dining sites. The shared commitment between Lincoln Lutheran and Racine County, that no senior should go hungry, was met with the help of the many dedicated volunteers and team members who worked hard to ensure nutritious, hot meals were either delivered or served at the dining sites every week, Monday through Friday. This commitment resulted in over 115,000 meals provided throughout the county. No senior was turned away based upon ability to pay, and new participants continued to join throughout the year, whether it was

through a home delivered meal or the opportunity to dine with others. The need for and the importance of the programs to the community were evident. We were proud to once again partner with the County on these programs.

Chestnut Club Ribbon Cutting Ceremony (165 W. Chestnut Street, Burlington, WI)

### Become a "Willing" Witness

When it is time to update your will or trust consider adopting a charity or charities as a member of your family. It is advised to review your will every 3-5 years or when the family changes in any way affecting the distribution of assets. When you do make updates, or create your first will, consider including a bequest, a portion of your estate, for ministries of your church. Let your will become a witness to your devotion to Christ and his people by supporting your beloved ministries beyond your lifetime.

### What about Family?

Remember your family in your estate plan. Also remind them that part of our Christian responsibility is to also think of others. Including charity in your estate plan becomes a powerful witness to your family of the charitable Christian values that you have cultivated during your lifetime and wish to pass on to those you love when you are gone. Most often family is grateful when their loved ones remember others when they no longer need their assets. A sense of pride and joy is theirs as well when a plan is put in place that makes sure that charity is remembered as well as family in the distribution of assets. Do you remember the last thing someone said to you in a conversation? The last words we hear from a loved one linger with you a long time – maybe for a lifetime. In fact, it has the capacity to encourage others to do follow your example. In the end, that's a legacy worth considering.

### Replace taxation with Philanthropy

Depending on the size of your estate one or more charitable bequests could be good stewardship of resources. For example, you may be able to turn tax dollars into philanthropy; or, make charitable gifts with taxable assets while giving non-taxable ones to your loved ones. Why give a gift with strings attached; especially, if it means an heir is liable for taxes you could have helped him or her avoid? So, think it through. Take seriously the task of planning and preparing your will, seek the advice of trusted advisors and choose an attorney who will best serve YOU, your desires, and, if you choose, your desire to be a willing witness.

FOR MORE INFORMATION ABOUT INCLUDING A CHARITY AS A MEMBER OF YOUR FAMILY, PLEASE CONTACT MELISSA GREINER, DIRECTOR OF AGENCY ADVANCMENT AT (262) 898-2728 OR [MGREINER@LLOR.ORG](mailto:MGREINER@LLOR.ORG)

## Program Facts

*In 2010, Lincoln Lutheran touched 2,341 individuals  
through our communities and programs . . .*

## Annual Reports

Lincoln Lutheran is privileged to serve older adults in Southeastern Wisconsin by providing housing, skilled nursing care, rehabilitation, assisted living and a wide variety of community outreach services for seniors.

As a nonprofit organization, we rely on the contributions of people like you to support our vital ministry work in Racine and the surrounding community.

We invite you to explore the reports below to learn more about our annual highlights and accomplishments, and how we put our gifts to work.

2010 Annual Report - *Commitment that Goes Above, Care that Goes Beyond*

2009 Annual Report - *Hands That Serve, Hearts That Care*

2008 Annual Report - *Compassion Drives Us, Love Guides Us*
